## China Eastern Holds Toronto Air Service Anniversary Celebration

<P>Shanghai division of China Eastern (CES)'s marketing department has held Toronto Air Service Anniversary Celebration and North America Marketing and Product Promotion in Shanghai. Through domestic transfer and Air-Rail Transfer, CES now has a total of 169 domestic cities to Shanghai and more than 20 destinations in North America.</P>

<P>CES has the most direct flights to Canada and keeps increasing operation on this route. So far, CES has added 1 daily flight from Shanghai to Vancouver, making a total of 2 flights on the route, and operated a daily flight from Shanghai to Toronto. Boeing 777-300ER is serving as a major model for North American flights and in-flight Wi-Fi and online payment service are available. Besides, CES has also launched a number of products such as multiple return package, Air-Rail Transfer and Air-Bus Transfer packages.<BR></P>
