China Eastern-Plaza VIP Lounge Unveiled at Shanghai Pudong International Airport

China Eastern-Plaza 77 VIP lounge was unveiled at Terminal 2 of Shanghai Pudong International Airport recently. Invested by China Eastern (CES) and co-run by CES and Plaza Premium Lounge, the new lounge is intended to engage the passengers in a high quality service experience.

China Eastern-Plaza VIP lounge nears the 77th boarding gate and can accommodate 500 guests with an overall area of 2,000sqm. Incorporating the design concept of blending east and west, the lounge features simplicity and delicacy of CES's brand characteristics, and is self-contained with buffet area, bar area, business section, child care, shower and relaxing functionality, separated from each other for premium experience. The guests are offered a variety of foods in Chinese and western styles. A cooking spot is also available to prepare Shanghai and Hong Kong style noodles.
