In-flight Wheelchair Service Available on More Routes

From now on, China Southern offers an in-flight wheelchair service on seven international long-haul routes from Guangzhou to Auckland, London, Amsterdam, Paris, Moscow, Vancouver, and Frankfurt (via Changsha). Therefore, this special service covers a total of 15 international long-haul routes to Guangzhou.

Passengers in need can apply for the service by requesting it at the ticket office or calling 95539 within 48 hours prior to takeoff. The service is available with the confirmation from China Southern after buying the ticket.
