Free Wi-Fi on China Airlines Routes

To provide high quality flying experience, China Airlines is now offering free 24-hour Wi-Fi vouchers for purchases of business and premium economy class tickets to Ontario, California, and Australia. From now to June 30, 2018, travelers on any China Airlines round-trip flights to Ontario and the Australian cities (Brisbane, Sidney, and Melbourne) can enjoy Wi-Fi service onboard for 24 hours free of charge. After purchasing their tickets, travelers may proceed to the designated web page for voucher redemption to enter the reservation code and e-ticket number. Travelers will need to log in to Dynasty Member to confirm their information. A set of Wi-Fi Onboard access code will then be issued. For more information, please scan the QR code.
