China Airlines launches Kaohsiung –Hong Kong – Jakarta route

China Airlines has opened new service from Kaohsiung to Jakarta via Hong Kong route with Boeing 737-800 passenger aircraft. There are 28 weekly flights served by China Airlines to Jakarta, Surabaya, and Bali, which making it the market leader.

Since December 2017, the Taipei to Jakarta route has been flown directly with new A350 aircraft. The code-share flights with SkyTeam member Garuda Indonesia are flying from Jakarta to Yogyakarta, Semarang, Bandar Lampung, Pontianak, Medan, Balikpapan, Pekanbaru, Makassar, and other places in Indonesia. In May 2018, China Airlines added code-share flights from Bali to Perth, Australia. China Airlines currently offers 113 weekly flights from Kaohsiung and Tainan to Southeast and Northeast Asian, and cities in China.
